Patents 1 - 7 on wireless* authentication* multicast* address* mac port. (0.04 seconds)

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)
Method, apparatus, and system for managing data compression in a wireless ...

US Pat. 6947483 - Filed Dec 28, 2000 - Nortel Networks Limited

In the special case of all broadcast or some **multicast** packets, ... network to determine if the destination **MAC address** is in its own internal table. ...

Method and system for monitoring a selected region of an airspace associated ...

US Pat. 7002943 - Filed Oct 15, 2004 - AirTight Networks, Inc.

If the sniffer has originated the marker packet, it can identify the marker packet on the **wireless** medium from the source **MAC address** of the 802.11 style ...

Virtual switch

US Pat. 7113498 - Filed Jun 5, 2002 - Broadcom Corporation

13 is one embodiment of a distributed **MAC** architecture. ... Broadcasts and **multicast** PDUs are not buffered at the switch and are sent to the repeaters to be ...

Wireless LAN WEP initialization vector partitioning scheme

US Pat. 7039190 - Filed Dec 28, 2000 - Nortel Networks Limited

The **address** table 304 includes Medium Access Control (**MAC**) addresses ... In the special case of all broadcast or some **multicast** packets, the packets are ...

Method and system for monitoring a selected region of an airspace associated ...

US Pat. 7154874 - Filed Nov 14, 2005 - AirTight Networks, Inc.

Also, Ethernet style unicast packet addressed to the **MAC address** steps can be added, removed, or interchanged. The method of a **wireless** station associated ...

Apparatus and method for efficient delivery of **multicast** data over personal ...

US Pat. 6741575 - Filed Feb 26, 1999 - Hughes Electronics Corporation

65 Nearby RPs 104 are controlled by a radio **port** control unit ... of SL layer

206 include handset registration, user **authentication**, and data encryption. ...

Internet-augmented radio **port** controller unit (RPCU) of personal acces ...

US Pat. 6847633 - Filed Feb 26, 1999 - The DIRECTV Group, Inc.

65 Nearby RPs 104 are controlled by a radio **port** control unit ... of SL layer

206 include handset registration, user **authentication**, and data encryption. ...
